November 2026 Newsletter

Dear Parents and Students,

Happy November! All students should be situated in their classes at this point. Please contact us if you have any questions or concerns about your current classes. We do still have openings in some classes and if anyone is interested in adding a class, please email Crystal at gottadancepac@gmail.com or Katrina at krgottadance@yahoo.com as soon as possible. We are still registering for some classes through November.

NOTES REGARDING NOVEMBER HOLIDAYS: ***Gotta Dance will be CLOSED Wednesday, November 11th for Veteran's Day*** **and** ***Wednesday, November 25th – Saturday, November 28th for the Thanksgiving holiday weekend.***

COSTUME DEPOSITS are currently due throughout the month of November in the amount of ***$50.00 per class/per student including dance team*** (competition team costumes are separate). Please keep all costume payments **separate from tuition.** Costumes will be ordered during Christmas break to guarantee arrival for our June performance. Balances will be due in late January/early February. ***All costume payments are non-refundable and must be paid by CASH OR CHECK (payable to "Gotta Dance") – NO Venmo payments or credit cards will be charged for costume deposits.*** If costume deposits are not received by the end of November, costumes will not be ordered and cannot be ordered at a later date. Payment plans are available for students or families enrolled in more than 3 classes. Please contact Katrina by November 14th to discuss payment options. Costume measurements will be taken throughout the months of November and December. If your child is absent from class during measurements, please be sure to set up an appointment to get measured before the holiday break. Costumes run in small, medium, and large sizes. Measurements are taken a little larger to allow room for students to grow throughout the year. Please expect some alterations when your costumes arrive. They are not custom made for each child.
